Unconditional

The Bravery

I've spent my whole life surrounded
and I've spent my whole life alone
I wonder why I never wonder why
The easiest things are so hard
I just want, I just want love
I just want, I just want love
I just want, I just want love
I just want something
Something for nothing
Something, something for nothing

I'm a beggar and I'm a chooser
I'm accused, I'm an accuser
But nothing's unconditional

I hold the whole world accused
I've only got myself to blame
I wonder why, I never wonder why
The easiest things are so hard

I just want, I just want love
I just want, I just want love
I just want, I just want love
I just want something
Something for nothing
Something, something for nothing

I just want, I just want love
I just want, I just want love
I just want, I just want love
I just want something
Something for nothing
Something, something for nothing

I'm a beggar and I'm a chooser
I'm accused, I'm an accuser
But nothing's unconditional
