

# Let's Do It

## Eartha Kitt

Birds do it, Bees do it  
Even educated fleas do it  
    Lets do it  
    Lets fall in love  
In Spain the best upper sets do it  
    Lithuanians and lets do it  
        Lets do it  
        Lets fall in love  
The Dutch in old Amsterdam do it  
    Not to mention the Finns  
        Folks in Siam do it  
Think of Siamese twins from Argentines  
    Without means do it  
People say in Boston beans do it  
    Let's do it  
    Let's fall in love  
Romantic sponges they say do it  
Oysters down in oyster bay do it  
    Lets do it  
    Lets fall in love  
Cold Cape Cod clams against their wish do it  
    Even lazy jellyfish do it  
        Lets do it  
        Lets fall in love  
Electric eels I might add do it  
    Though it shocks them  
        I know  
    Why ask if shall do it  
        in shallow shoals  
        English soles do it  
Goldfish in the privacy of bowls do it  
    Lets do it  
    Lets fall in love (x2)  
        Lets
