See Me Now

Little Mix

Uh-o-o-o-o
Uh-o-o-o-o
Uh-o-o-o-oUh-o-o-o-o
Uh-o-o-o-o
Uh-o-o-o-oI feel the rain on my skin
Wash away all the pain I was in
I see the sun in the sky
No longer know how it feels to cryAnd it really doesn't matter
So what? So what?
That I've been hesitating so long, so long
Somebody turn out the light
'Cause right now must be my time to shineThey said I couldn't, they told me that I wouldn't
But if they could see me now
They'd see I'm something, that I'm not scared of nothing
And the world will hear me shout
We say oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh
Might call me crazy
But I've been thinkin' maybe you would change your mind
If you could see me nowDrop me in the ocean, I'll swim
Put me in with the lions, I'll roar
There's a survivor within
So much stronger than I was beforeThey never saw me comin'
So what? So what?
'Cause they been sleepin' on me so long, so long
I'd gotta leave that behind
'Cause right now must be my time to shineThey said I couldn't, they told me that I wouldn't
But if they could see me now
They'd see I'm something, that I'm not scared of nothing
And the world will hear me shout
We say oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh
Might call me crazy
But I've been thinkin' maybe you would change your mind
If you could see me nowThey said I couldn't, they told me that I wouldn't
But if they could see me now
They'd see I'm something, that I'm not scared of nothing
And the world will hear me shout
(I'm not scared of nothing!)They said I couldn't, they told me that I wouldn't

But if they could see me now
They'd see I'm something, that I'm not scared of nothing
And the world will hear me shout
We say oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh
Might call me crazy
But I've been thinkin' maybe you would change your mind
If you could see me now
