

Outstanding (12" version)

The Gap Band

Girl, you're looking sweeter now
You got it every day, girl
Wish that I could love you now
In a special way You light my fire
I feel alive with you, baby
You blow my mind
I'm satisfied Outstanding (So outstanding, yeah)
Girl, you knock me out
Excited (I'm so excited, baby)
It makes me want to shout (Baby) Gee, I feel so lucky, girl
To have you all alone
I really love the way you love me
Forever I'll be yours You blow my mind, baby
I'm so alive with you, baby
You blow my mind, baby
You blow my mind, baby, baby You light my fire { You light my fire }
I feel alive with you, baby { I feel alive }
You blow my mind { You blow my mind }
