

Iron Head (OST The Scorpion King)

[Rob Zombie](#)

What is the purpose
Demonoid phenomenon
Regulate the flux and reflux
So bring it on
Loose upon the world
Destruct a juggernaut Suddenly the rats are high
Bleed the masses and watch'em cry
Slumber like Houdini's dog
Die alone out in the fog Iron head- regenerate
Iron head-exterminate
Iron head-liberate and crucify you What is my name
Demonoid phenomenon
Laugh in your face and
Break because you don't belong
Vent upon the brink
Appear another demi-god
