

Lazy Love

Ne-Yo

Singing ooh, said ooh, ooh lazy love Ooh my lobby call was 11:30
I'm officially the opposite of early
I gotta go downstairs (downstairs)
Everybody waiting down there for me
But I roll over into your curly (hair)
And sexy body, oh so nice and curvy (yeah)
Reminiscing on last night
Wake up baby, let me get it one more time before (before, before)
I gotta go, I got responsibilities I gotta take care of,
Oh-whoa, oh-whoa that's when you wrap them legs around me
And I fall victim to that lazy love Oh, you got that, I don't wanna
That I don't wanna go nowhere, that lazy love
Hey you got that, I don't wanna
That I don't wanna do nothing, you got that lazy love
Oh, you got that, I don't wanna
That I don't wanna do nothing, that lazy love
Oh, you got that, I don't wanna
That I don't wanna do nothing Damn baby that was good, I'm gon' hit the shower
Even though I'm about two hours, late
But I can't help it man
If they knew what I knew, they would understand (understand)
I'm washing last night off, time to boss up
When suddenly on my back I feel a soft touch
She right behind me
Water glisten off her body
Looking at me, like "one more time"
But baby I gotta go, I got responsibilities I gotta take care of,
That's when you wrap them legs around me
And I fall victim to that lazy love Oh, you got that, I don't wanna
That I don't wanna go nowhere, you got that lazy love
Hey you got that, I don't wanna
That I don't wanna do nothing, you got that lazy love
Hey, you got that, I don't wanna
That I don't wanna do nothing, you got that lazy love
Oh, you got that, I don't wanna
That I don't wanna do nothing Ooh ooh I said ooh ooh
Ooh ooh that lazy love
Oh yeah
