

Hey Baby

Milk 'n Blues

Hey, Baby
You did me wrong
Hey, Baby
I should've known

Your fake promises and help just hurt
Got your way back and forget what we've done
Cause there's nothing you can do to make it right
And this I swear

You took my money
You took my soul
You're a teaser, Baby
Little did I know

And to top it off
I've been cheated by you
But I'm better off now
I'm quite brand new

And there's nothing you can do to make it right
And this I swear
And there's nothing you can do to make it right
And this I swear

And I thought that everything you tried was
To have me in your life; forever one
And now I know that you're not worth a dime
I won't bid anymore
Anymore

- Harmonica Solo -

Hey, Baby!
You took my soul
Hey, Baby!
Little did I know

Such deep talk for such a shallow heart
Such a crazy selfish mind

Just now I realize
And there's nothing you can do to make it right
And this I swear
I swear
And there's nothing you can do to make it right
And this I swear

And I thought that everything you tried was
To have me in your life; forever one
And now I know that you're not worth a dime
I won't bid anymore

And I thought that everything you tried was
To have me in your life; forever one
And now I know that you're not worth a dime
I won't bid anymore
Anymore
