Before The Dawn

Evanescence

Meet me after dark again and I'll hold you
I am nothing more than to see you there
And maybe tonight, we'll fly so far away
We'll be lost before the dawn
If only night can hold you where I can see you, my love
Then let me never ever wake again
And maybe tonight, we'll fly so far away
We'll be lost before the dawn
Somehow I know that
We can't wake again from this dream
It's not real, but it's ours
Maybe tonight, we'll fly so far away
We'll be lost before the dawn
Maybe tonight, we'll fly so far away
We'll be lost before the dawn
