

Leave My Heart Out of This

Fifth Harmony

[Camila:]

My heart is telling me that you were gonna change, but no
My heart is lying right to my face, yeah

[Ally:]

My heart is making up excuses for your ways, but I wish that
My heart knew when I should walk away

[Dinah:]

Lets get down, you raise me as I get back up off the ground
You're telling me that this is love but I found
It wasn't really on my side, now I think it's time

[All:]

I tell my heart to just butt out, keep its opinions to itself
I should just listen to my head, cause its the one who knows what's best
It tells me not to love you, but my heart says just forgive you
Oh but it's not thinking clearly
I wish that I could leave my heart out of this
Leave my heart out of this

[Normani:]

I'm done feeling like a stranger to myself, so I know
I've got to put all my feelings on a shelf, yeah

[Lauren:]

Lets get down, you raise me as you get back up off the ground
You're telling me that this is love but I found
It wasn't really on my side, now I think it's time

[All:]

I tell my heart to just butt out, keep its opinions to itself
I should just listen to my head, cause its the one who knows what's best
It tells me not to love you, but my heart says just forgive you
Oh but it's not thinking clearly
I wish that I could leave my heart out of this
Leave my heart out of this

[Dinah:]

Sometimes I wish you'd just shut up and let me think, I've had enough

I need to just make up my mind
So that's why

[Camila:]

I tell my heart to just to just butt out, keep its opinions to itself
I should just listen to my head, cause its the one who knows what's best
It tells me not to love you but my heart says just for give you

[All:]

Oh but it's not thinking clearly
I wish that I could leave my (leave my, leave my, leave my) leave my heart out of this
Leave my heart out of this

[Dinah:]

Hey, la la la leave my heart
La la la leave my heart, no, no
