All In My Head

Kosheen

I wonder why
You act so flyWhen you try
So hard to try, to try, to try, to tryI see the sky, is open wide
Take a look inside
It's wild like a child, it's free
Come onIt's all in my head
It's all in my headUs only, it's only you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will beOn the other side of life
We glideGot our pride standing tall in the sun
Are we flying high, spinning in our time
Living life and loving free
This is where I wanna be
Come onIt's all in my head
It's all in my headUs only, it's only you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will beAll in my head
All in my headUs only, you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will be
