

# All In My Head

[Kosheen](#)

I wonder why  
You act so fly When you try  
So hard to try, to try, to try, to try I see the sky, is open wide  
Take a look inside  
It's wild like a child, it's free  
Come on It's all in my head  
It's all in my head Us only, it's only you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be On the other side of life  
We glide Got our pride standing tall in the sun  
Are we flying high, spinning in our time  
Living life and loving free  
This is where I wanna be  
Come on It's all in my head  
It's all in my head Us only, it's only you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be All in my head  
All in my head Us only, you and me  
Wherever you go I will be  
Just close your eyes and you'll see  
And wherever you go I will be
