

Teenage Angel

Addict

She's in love but she doesn't know
What she needs or how to let go
It feels like being married

She was to young to miscarry
She says, "Bye, bye, my childhood dream man
I will keep in touch if I can

Spend the best years of my life with you
"Happens every time you start to lose yourself

You turn to blame the one that loves you the most
To stay and work it out is harder than to run away

So she leaves a note because to his face she couldn't say
"Bye, bye, my teenage angel
I don't know how the spell was broken
I don't know what I'm doing but I'll miss you
