

Crawl Back To My Coffin

Dayseeker

What a goddamn shame
I thought I had a pulse again
Swear you called my name
When I was on my dying breath
The skin wore off my bones
I felt my soul at peace
Can I just be alone again a few more decades, please?

Can you tell me what it's like
To bring the dead back to life?
Gave me roses when I died
Just to kill me one more time
Now, I gotta cut you off
Gotta cut my losses
Came all this way, got out of my grave again
Just to crawl back to my coffin

It's a goddamn shame
I was getting up my hopes again
When my funeral came
I wish you would've let me rest
The skin wore off my bones
I felt my soul at peace
Can I just be alone again a few more decades, please?

Can you tell me what it's like
To bring the dead back to life?
Gave me roses when I died
Just to kill me one more time
Now, I gotta cut you off
Gotta cut my losses
Came all this way, got out of my grave again
Just to crawl back to my coffin
(Just to crawl back to my coffin)

The skin wore off my bones
I felt my soul at peace
Can I just be alone again
A few more decades

Please?

Can you tell me what it's like
To bring the dead back to life?
Gave me roses when I died
Just to kill me one more time
Now I gotta cut you off
Gotta cut my losses
Came all this way, got out of my grave again
I came all this way
Got out of my grave again
Just to crawl back to my coffin
(Just to crawl back to my coffin)
