

# In the Still of the Night

Ella Fitzgerald

In the still of the night  
As I gaze from my window  
At the moon in it's flight  
My thoughts all stray to you  
In the still of the night  
While the world is in slumber  
Oh the times without number  
Darling, when I say to you  
Do you love me?  
As I love you  
Are you my life to be?  
My dream come true  
Or will this dream of mine  
Fade out of sight?  
Like the moon growing dim  
I'm the rim of the hill  
In the chill, still of the night  
In the still of the night
