

# Suffocating Under Words of Sorrow (What Can I Do)

## Bullet for My Valentine

The night is starting here we go  
I check out everything  
This is our time to lose control  
What do you want from me  
You line them up we'll put them down  
This is so frustrating  
To watch you sleezing all around  
Yet you keep on smiling

[Chorus]  
What can I do to make you see?  
You're guilty  
What can I do to make you feel?  
You're wanted  
What can I do to make you see?  
You're guilty  
I'm suffocating under words of sorrow

Her skin reflects behind the blur  
I'm intoxicated  
Where am I from why am I here  
(Your so predictable)  
Fingers running through my hair?  
But its all just fiction  
She steps out from her underwear?  
So beautiful

[Chorus]

Go!

(There's bodies lying on the floor)  
But I keep on staring?  
(My world is over, close the door)

Her skin reflects behind the blur  
I'm intoxicated  
Where am I from? Why am I here?  
(You're so predictable)  
Fingers running through my hair

I'm a new addiction  
She steps out from her underwear  
(So beautiful)

[Chorus]
