The Look In Your Eye

Hughes/Thrall

Don't let them tell you that
You've got to change your way
Don't let them put you down
It's just another day
Don't let them get to you
Don't be afraid to try
They'll just take a look at you
And try to wonder why

You don't want anybody else to try to run your life
You don't need anybody else to make your sacrifice
We don't need anybody else to take what's yours and mine
We don't need anybody else, it's just a waste of time

I see that look in your eye
I wanna know is it mine?
Tonight, tonight

Don't let them tell you that
Don't let them put you down
Don't let them get to you
You've got to change your way

I don't need anybody else to try and run my life
I don't need the way they try to tell me what they think is right
We don't need anybody else to take what's yours and mine
We don't need anybody else, it's just a waste of time

I see that look in your eye
I wanna know is it mine?
I see that look in your eye
I wanna know is it mine?

People often say the world donâ€™t know that way

I see that look in your eye
I wanna know is it mine?
I see that look in your eye
I wanna know is it mine?

I see that look in your eye
I wanna know is it mine?
