

Everything You Didn't Do

Jamie Cullum

I will meet you in the city
When it's lit up by the stars
In the moonlight we're all pretty
'Cause it papers over scars Ever feel like you belong
To a story you ain't heard
Doesn't matter if it's your song
And you don't know all the words [Chorus]
We should put up a sign
We are citizens of all you can see
We've got nothing but time
'Cause you'll find
Everything you didn't do
Everything you didn't do
Is standing right in front of you A euphoric combination
Of a thousand dirty hands
There's no need for complication
On the shoulders we will stand It's a patient exploration
Where discovery is free
There's no need for explanations
We exists where we can see [Chorus]
We should put up a sign
We are citizens of all you can see
We've got nothing but time
Cos you'll find
Everything you didn't do
Everything you didn't do
Is standing right in front of you I don't even know what to say about every little thing
'Cause I'm tired and I want to go to sleep
It's so clear now
It's so clear now
It's so clear now
It's so clear now
It's so clear now
It's so clear now
That you'll find
Everything you didn't do
Everything you didn't do
Everything you didn't do
Everything you didn't do

Is standing right in front of you
