

# Bones

## Paper Lions

Verse 1:

I  
put a record on  
listened to my favorite song  
made the coffee wrong  
and I think  
I've had to much to drink

I stare into the dark  
for not to miss my mark  
i always miss the mark  
and I feel this one only love is real

Chorus

My bones are in hiding  
Bones will not Wash Away  
My Bones are in hiding  
Bones will not Wash Away

\*guitar solo\*

Verse 2:

I'm holding onto air  
Sweetly hers in my last care  
and i know I'm right  
so for tonight i'll finish with I'm right  
I'm  
taking off my socks  
in a cardboard box  
I'm off to outer-space

Chrous

Bones are in hiding,bones will not wash away  
bones are in hiding, bones will not wash away  
bones will not wash
