

Guy Who Turned Her Down

[Mcfly](#)

It hasn't been the best of days
Since she drove off and left me standin' in a haze
Because I've been so out of order
Yes I have babe
My new found love showed up and blew her out the water

And it's so not easy
(I know she'll say)
I'm sleazy
(I love the way)
You please me

[Chorus]
I can't believe I've found
A girl who turned my life around
She suddenly came on to me
Pinned me down
On the ground
I could have pushed away
But I didn't know what she'd say
I'm glad I'm not the guy who turned her down

I cut my social life in two
I quit my city job so I could be here with you
My friends say I'm a fool in love
But I'm not babe
It's worth my while because you're what my dreams are made of

'Cause you look like
(A beauty queen)
Sucked in by
(A tractor beam)
You know I

[Chorus]

The years go by
I wonder why
She had run to me
So glad that she met me

And life without you baby just don't know where I would be

I can't believe I've found
A girl who turned my life around
She suddenly came on to me

Yea I'm glad I'm not the guy who turned her down (down, down)
I'm glad I'm not the guy who turned her down
