

# When Something Is Wrong With My Baby

Sam & Dave

When something is wrong with my baby  
Something is wrong with me If I know she's worried  
Then I would feel that same old misery  
We've been through so much together  
We spoke as one and that's what makes it better When something is wrong with my baby  
Something is wrong with me Just what she means to me now  
Oh you just oh you just wouldn't understand  
And the people say oh they say she's no good  
Oh but she's my woman  
And I know I'm her man  
If she's got a problem oh yeah yeah  
Oh I know I'm gonna have to help her solve it When something is wrong with my baby  
Something is wrong with me If something is wrong with my baby  
Something is wrong with me
