

# Time After Time

Barry Manilow

Lying in my bed  
I hear the clock tick and think of you  
Caught up in circles  
Confusion is nothing new  
Flash back warm night, almost left behind  
Suitcase of memories  
Time after Sometime you pictured me  
I'm walking too far ahead  
You're calling to me  
I can't hear what you've said  
Then you said, "Go slow, I fall behind"  
The second hand unwinds[Chorus]  
If you're lost you can look  
And you will find me, time after time  
If you fall I will catch you  
I'll be waiting, time after time  
If you're lost you can look  
And you will find me, time after time  
If you fall I will catch you  
I'll be waiting, time after time After my picture fades  
And darkness has turned to grey  
Watching through windows  
You're wondering if I'm OK  
Secrets stolen from deep inside  
The drum beats out of time[Chorus] You said, "Go slow, I fall behind"  
The second hand unwinds[Chorus] Time after time
