

# Funeral Song

## Fast Romantics

I dumped you again  
I don't understand  
It's happened before  
Can't take it no more

These foolish games  
Always end up in confusion  
I'll take you back  
Just to leave you once again

I died in my dreams  
What's that supposed to mean?  
Got lost in the fire  
I died in my dreams  
Reaching out for your hand  
My fatal desire

I've failed you again  
Cause I let you stay  
I used to pretend  
That I felt OK

Just one big lie  
Such a perfect illusion  
I made you mine  
Just to hurt you once again

I died in my dreams  
What's that supposed to mean?  
Got lost in the fire  
I died in my dreams  
Reaching out for your hand  
My fatal desire...
