

# All Night Long

## Curtis Mayfield

Always in love with you  
Baby, all night long  
Don't be afraid of the love  
I'll never hurt you  
Oh baby, all night long  
We'll keep sweet, sweet things going on  
Come on and groove with me  
Listen to the blues with me  
Take off your shoes  
If you wanna get loose with me Beyond my wildest dreams  
You're truly, truly - truly, truly  
Oh, sweet fine thing  
What can it mean  
Well, well, I've seen you in my dreams  
You knocked me out without a doubt  
Every time we take a try  
With you baby  
I know I'm gonna be so satisfied I promise to do  
Baby, baby, all night long  
To be true all for you  
Little girl you are the one  
Baby please, can you believe me  
Never leave, always be  
Your love has got me ravin'  
My needs for you are cravin'  
To hear you cry, satisfied, can reply  
Let a woman not put no test on you  
Just be yourself to do  
Every day, anyway  
Love me always, come what may  
What can it mean  
Well, I've seen you in my dreams  
You knocked me out without a doubt  
Every time we take a try  
With you baby  
I know, I know I'm gonna be satisfied Always in love with you  
Baby, all night long  
Don't be afraid of the love  
I'll never hurt you

Oh baby, all night long  
We'll keep sweet, sweet, sweet things going on  
Come on and groove with me  
Listen to the blues with me  
Take off your shoes  
If you wanna get loose with me  
Always in love with you  
Oh baby, all night long  
All night long  
All night long
