Cold

Meg Myers

I will break you on my own,
I will taste you when you're gone,
And your fire wont burn me 'cause my bodys too coldI will lay down arms for you,
Turn me on.
I will wear this crown for you,
Make me wrong,
'Cause the fire don't burn me, and my bodys so coldI will hate you all alone,
Ill inhale you when you're gone,
And the fire wont burn me 'cause my bodys too coldI will lay down arms for you,
Turn me on.
I will wear this crown for you,
Make me wrong,
'Cause the fire don't burn me, and my bodys so cold
And the fire wont burn me 'cause my bodys too cold
