Last Gasp

Channel Zero

Whatever is going around ?
See the deal in your mind !
Sweat burning, sweat burning !
You pray ! We have forced the bravest kind !
Sleep well ! We'll all see the paradise !
Sleep well ! Sleep well !!!
Summerbirth ! Summerdeath !
Soare death ! Soare death !!!
Sweet dreams, sleep with me .....
No, No, No, ... !
Suffer inside, you can't heal.
Suffering right ?
This is the end !!!!!!!!!!!!!!!!!
This is the end !!!!!!!!!!!!!!!!!!!!!!!!!!!!!
This is.....the end.....the end!!
