Orgy In Excrements

Autopsy

Twisting writhing mass of blackest ecstasy
Fluids flowing dark lust growing for the flesh
And beyond the boundaries of perversionSliding in and out of every hole
Lubricated with excretions of every sort
Unbridled sexual excursionPenetrate urinate defecate menstruateUrinate on your partner
Rubbing feces on your face
Defecate on your partner
Rubbing feces on your faceVomit on the nearest asshole
Rub the chunks in, knead the flesh
Go where all have been before
Sphincter muscles bleed and stretchUrinate defecateAll combine in a great big pile
No holes barred nothing concealed
In excrements hypnotically write
Fluids now concealed
