

# Maybe Maybe

[Nico Stai](#)

cutting belts and magazines  
and things you'll never need  
the mirrors in your room at night  
and skies that never fold  
you're sorry that it matters more  
but who would ever tell  
I know you need to stay above  
but I swore  
I swore  
I swore it's all over your eyes  
there's nothing you can do  
I'm coming out my skin tonight  
so tell me if you're ready or no  
I'm tired of living out a lie  
sitting here watching things flying by me  
and maybe maybe  
you're gonna save me  
maybe maybe  
but I don't know  
I don't think so last night I woke up cold  
and I walked right out into the dark  
and 800 reasons why kept flying into my eyes  
wish I could say that I killed 'em dead  
but they're just much bigger than I it's all over your eyes  
there's nothing you can do  
I'm coming out my skin tonight  
so tell me if you're ready or no  
I'm tired of living out a lie  
sitting here watching things flying by me  
and maybe maybe  
you're gonna save me  
maybe maybe  
but I don't know  
I don't think so
