

Cityscape Skybaby

Super Furry Animals

She came in smelling of cabbages
Pumpkin roots and all winter's ravages
She came in around dawn
Took her coat off
Burdened down by the Russian winter
Felt the warmth of the hearth
Bathed a while naked in hot water
Wash away imminent disaster
Thinking through her today
And the murder
Of the bailiff and the landowner
Felt no shame
Only gainCleansed the pike
Peeled all the potatoes
Beetroots ripe for bellies of gigolos
Served it up for her son and her daughter
For the last time she imagines
Reprobates lie in waitBaby bye-bye
(Bye-bye, bye-bye)
(Sky)
Bye-bye baby
(Sky, sky)
Skybaby
(Sky, sky)
Bye-bye baby
(Sky, sky)
Sweet vigilante
(Sky, sky)
Bye-bye baby
(Sky, sky)
Skybaby
(Sky, sky)
Bye-bye baby
(Sky, sky)
Sweet vigilante
(Sky)
Baby bye-bye
