Tease Me

Treat Her Right

Tease me tease me baby like a tease you probably do
Tease me honey tease me till I don't know what I'm doing
Tease me in the morning honey tease me all day long
Tease me honey tease me till my love is falling down

Come on and tease your daddy
Want you to tease me
Come on and tease your daddy
Want you to tease

Drive me honey drive me come on and drive me to the town
Drive me through the valleys come on and drive me up and down
Drive me through the morning honey drive me through the night
Drive me honey drive me no I won't put up a fight

Come on and drive your daddy
Want you to drive me babe
Come on and drive your daddy
Want you to drive

Love me love me baby come on love your daddy too
Love me honey love me till I don't know what I'm doing
Love me through the valleys woman love me through the town
Love me up to heaven till our love is falling down

Come on and love your daddy
Want you to love me babe
Come on and love your daddy
Want you to love

Come on and love me love me
Drive me drive me drive me drive me drive me
Tease me baby
Tease me tease me tease me tease me tease me
