

# Wild West Hero (Demo)

## Electric Light Orchestra

Sometimes I look up high  
And then I think there might,  
    Just be a better life  
    Away from all we know  
    That's where I wanna go  
    Out on the wild side,  
    And I wish I was  
Oh oh oh oh, a wild west hero.Ride the range all the day  
    Till the first fading light  
    Be with my western girl  
    Round the fire oh so bright  
    I'd be the indians' friend  
    Let them love to be free  
    Ridin' into the sunset  
I wish I could be.I'd ride the desert sands  
    And through the prairie lands  
    Tryin' to do what's right  
    The folks would come to me  
    They'd say we need you here  
    I'd stay there for the night,  
    Oh I wish I was  
Oh oh oh oh, a wild west heroRide the range all the day  
    Till the first fading light  
    Be with my western girl  
    Round the fire oh so bright  
    I'd be the indians' friend  
    Let them love to be free  
    Ridin' into the sunset  
    I wish I could be.
