Little Things

Lotte Kestner

Last night in your sleep
Did you dream you were trapped in a room
'Cause I confess in all of mine
That I draw walls around youYour arms are a circle I step in
When I'm allowed to
And fight just to slow down the heart
That is all about youBut what do intentions amount to
Subtlety escapes me around you
I'm not about to hold in anything
I'm gonna give myself away in little things
You know how staring will make somebody turn
Does that mean my thinking of you's
Gonna make your skin burn
I'm always on the run and I hate copy past for god's sake
'Cause I don't want to hurt you
It's the last thing that I would doBut what do intentions amount to
Subtlety escapes me around you
I'm gonna give myself away in little things
I'm not about to hold in anything
So what do intentions amount to
What's the last thing that I would do
I'm gonna give myself away in little things
I'm not about to hold it in
