

Cudi Zone

Kid Cudi

Soarin', is this allowed?
I sure bet my daddy proud
A little nigga wit' a Shaker smile
On top of the dreams is where I'm found
Some figured I was Satan bound
Until I came back with a style I found
Then all of the sudden they fixed their faces
'Cause of who I know and trail of places
That I've stepped
How many niggas wanna hate 'cause I left?
How could you blame me and my plan of attack?
'Cause I'm risking my soul attack
Now I'm heard all over the map
Only rule of thumb
It don't really matter just where you from
All that really matter is where you're gon' go
Maybe upstate for some
But you can't rule out these claps for gun
Second chances given out for some
All you gotta do is take advantage
So maybe you can get yourself a horse and carriage
Been pimpin' you should think about marriage
Until then get it then find yourself and let's begin
I'ma tell you how in a minute, I'ma show you how I be livin'
From a long time ago, a young nigga, he was timid
Now I'm zone and see things so vivid
Hide my soul? Nah homie, not even
I'ma zone out till I lose feeling
Remember, I'ma be gone way past November
Even stay up there, up there
Floatin', floatin', hopin' I could find peace somewhere
In my mind it sounds like, ooh
When I'm gone it feels like, ooh
When I'm zone, I'm feelin' alright, I'm feelin' alright
I'm feelin' alright
When I'm zone, I'm feelin' alright, I'm feelin' alright
I forget about it all
Ballin' is this allowed?
Without feelin' like Shallow Hal

Comma's on the Jesus piece for style
Back in Cleveland city we ride around
Greetin' my niggas wit' dap and pounds
So if I fall I won't hit the ground
These are the things that'll make me smile
Knowin' this blunt might burn a while
I keep myself so lifted
I am accustomed to new heights
I feel perfect though they think it's worthless
See without my flight
Man, everybody wanna be a critic
I have my life and I will live it
Shut your mouth before I fuck it
Ha, my jokes they will love it
If I'm seen on the scene with my slim cut jeans
More than likely I am fadin' man
Doin' other shit if everywhere you go
Niggas ain't just standin' 'round hatin'
So my advice is when the lights start flashin'
I'll be zonin' all alone
And then the place where my mind is goin'
Filled with songs that no one's knowin'
And the devil in a hot pink dress
Tryin' to ask me for one dance
He think he slick but my guardians
Protect me from his wrath
So in my place no hate shall enter
Livin' high up there, up there
Copin', copin', floatin' I will find peace somewhere
In my mind it sounds like, ooh
When I'm gone it feels like, ooh
When I'm zone, I'm feelin' alright, I'm feelin' alright
I'm feelin' alright
When I'm zone, I'm feelin' alright, I'm feelin' alright
I forget about it all
In my mind it sounds like, ooh
When I'm gone it feels like, ooh
When I'm zone, I'm feelin' alright, I'm feelin' alright
I'm feelin' alright
When I'm zone, I'm feelin' alright, I'm feelin' alright
I forget about it all
