

# To The End Of The Earth

Jessica Mauboy

We can go for miles after midnight  
Tracing every shadow till the daylight  
Going off the edge just to feel what it's like  
What it's like what it's like

You wanna go right you wanna go left  
You know I don't mind  
My feet on the edge and I come alive  
Come alive, come alive  
I feel invincible anywhere with you  
Indestructible I go I go  
To the end of the earth with you  
With you  
With you  
I go I go  
To the end of the earth with you

It's a technical dream all around me  
I let you...a deed through my body  
Push me off the edge cause with you I can fly  
I can fly I can fly

You wanna go right you wanna go left  
You know I don't mind  
My feet on the edge and I come alive  
Come alive, come alive  
I feel invincible anywhere with you  
Indestructible I go I go  
To the end of the earth with you  
With you  
With you  
I go I go  
To the end of the earth with you  
I go I go  
To the end of the earth with you

I feel invincible  
Anywhere with you  
Indestructible  
I go I go

To the end of the earth with you  
With you  
With you  
I go I go  
To the end of the earth with you
