

# Nobody

## Chris Pickering

When life seems full of clouds and rain  
I am filled with an awkward pain  
Who soothes my achin', thumpin' brain?  
Nobody

When winter comes with snow and sleet  
I'm so tired with cold feet  
Who says "Here's two bits Nina honey, go and eat"  
Nobody

I ain't never done nothin' to nobody  
And I ain't never got nothin' from nobody, no time  
And until I get me somethin', yes, from somebody, sometime  
Well, I don't intend to do nothin'  
For nobody, no time

Now when winter comes all cool and clear  
My friends they see me comin' near  
Who says "Come on in child and have a beer"  
Nobody

When all day long things go amiss  
I go home to find some bliss  
Who hands to me a glowing kiss?  
Nobody

I ain't never done nothin' to nobody  
And I ain't never got nothin' from no body, no time  
And until I get me somethin', from somebody  
Sometime I don't intend to do nothin'  
For nobody, nobody, no time, no time  
Nobody, no time
