Children Of Cybertron

Emmure

We are unstoppable
We are unbreakableHow much more proof do you want?
You can't fuck with us
You can't fuck with usWe are unstoppableHow much more proof do you want?
(Do you want?)
How much more proof do you want?
(Do you want?)How much more proof do you want?
(Do you want?)
How much more proof do you want?
(Do you want?)We are unstoppable
We are unbreakable
