## Hannah Georgas

Pace around until I'm dizzy  
So good at feeling guilty  
Life can't be this easy baby  
Stop it, nobody knows  
What you're thinking Make your thoughts extra dirty  
Nobody gonna hurt me  
You've got beans for brains babe  
Stop it, nobody cares  
Anyway One day I'm gonna feel like  
One day I'm gonna get there  
One day I'm gonna feel like  
One day I'm gonna know  
One day I'm gonna feel like  
One day I'm gonna get there  
One day I'm gonna feel like I'm not afraid anymore  
I'm not afraid anymore It's all about fresh stimulation  
Make 'em feel so elated  
They're gonna change their minds while you're waiting  
Stop it, nobody cares, why you staying? One day I'm gonna feel like  
One day I'm gonna get there  
One day I'm gonna feel like  
One day I'm gonna know  
One day I'm gonna feel like  
One day I'm gonna get there  
One day I'm gonna feel like I'm not afraid anymore  
I'm not afraid anymore  
I'm not afraid anymore  
I'm not afraid anymore My dear nothing, nothing really matters  
My dear nothing, nothing really matters  
My dear nothing, nothing really matters  
My dear nothing, nothing really matters I'm not afraid anymore  
I'm not afraid anymore  
I'm not afraid anymore  
I'm not afraid anymore
