For You

Loverboy

You make believe that you don't know
You wear it well, you never let it show
Break into what you can bend
You push your luck to the bitter end
Try to run before you walk
You criticize but you can talk
Make believe I don't feel the pain
But here I am going through it again
Well, I heard enough, I can't take no more
You knock me down, down to the floor
Now make a choice is do or die
Commit to me and don't ask why
For you, do anything you want me to
For you, do it all over again
For you doing it all for you, baby
(Tired of waiting)
What's so hard about doing it right
Can it all come down without a fight
Wait for you to pull your share
But it looks to me like you just don't care
For you, do anything you want me to
For you, do it all over again
For you, doing it all for you, oh, you know
(Tired of waiting)
For you, I'll be anyone you want me to be
For you, I'll do anything you ask from me
For you doing it all, doing it all, doing it all, baby
Uh, try to run before you walk
And you criticize but baby, you can't talk
Make believe I don't feel the pain
But here we are going through it again
Well, I've had enough, I can't take no more
When you knock me down, down to the floor
Now make believe it's do or die
Commit to me and don't ask why
For you, I'll do anything you want me to
For you, do it all over again
For you, doing it all for you, yeah
(Tired of waiting)

For you, I'll be anyone you want me to be
For you, I'll do anything you ask for me
For you, anything for you, give it to me, baby
(Tired of waiting)
Baby, give it, give it
Giving it all, giving it all
All for you
Ooh yeah
Just watch me disappear now, baby
I'm leaving my bleeding heart at the door
For you, do anything you want me to do
For you, I'll do it all over again
For you, giving it all, I'm giving it all to you, oh yeah
(Tired of waiting)
For you, baby, oh
For you, little girl
Look out now, look out now
For you
Giving it all, I'm doing it all
Doing it all, doing it all for you
(Tired of waiting)
