

Bron-Y-Aur Stomp

Led Zeppelin

Ah, caught you smiling at me - that's the way it should be
Like a leaf is to a tree
So fine All the good times we had, I sang love songs so glad
Always smiling, never sad
So fine As we walk down the country lanes I'll be singing a song
You hear me calling your name
Hear the wind within the trees telling Mother Nature 'bout you and me Well, if the sun shines so bright, or our
way is darkest night
The road we choose is always right
So fine Can a love be so strong when so many loves go wrong
Will our love go on and on and on and on and on and on? As we walk down the country lanes I'll be singing a
song
You hear me calling your name
Hear the wind within the trees telling Mother Nature 'bout you and me My, my la de la come on now in too far
Tell your friends all around the world, ain't no companion like a blue-eyed merle
Come on now, well let me tell you what you're missing messing 'round them brick walls So, of one thing I am
sure - it's a friendship so pure
Angels singing all around
my dog is so fine Yeah, ain't but one thing to do - spend my natural life with you
You're the finest dog I knew
So fine When you're old and your eyes are dim, There ain't no old shep gonna happen again
We'll still go walking down country lanes, I'll sing the same old song
Hear me call your name
