

# Rock Star

## Hannah Montana

Yeah, uh oh, uh oh, uh oh, yeah Sometimes I walk a little faster  
In the school hallway just to get next to you  
Some days I spend a little extra time  
In the morning just to impress you Guess you don't notice, guess you don't need this  
Sad, you're not seeing what you're missing  
On the outside shying away  
On the inside dying to say I'm unusual, not so typical  
Way too smart to be waiting around  
Tai Chi practices, snowboard champion  
I can fix the flat on your car I might even be a rock star  
I might even be a rock star Sometimes I wish when the phone rings  
That it would be you saying, "Let's hang out"  
Then you confess that there's something special  
In between us, why don't we find out You don't know me, guess you don't need me  
Why you're not seein' what you're missin'  
On the outside shyin' away  
On the inside dying to say I'm unusual, not so typical  
Way too smart to be waiting around  
Tai Chi practices, snowboard champion  
I can fix the flat on your car I might even be a rock star  
If you only knew the real me  
I might even be a rock star  
I'm telling you that we are meant to be Now wouldn't it be nice if you could see  
That I really am a rock star  
Yeah yeah, woo  
Yeah I really am a rock star Ha, a rock star I'm unusual, not so typical  
Way too smart to be waiting around  
Tai Chi practices, snowboard champion  
I can fix the flat on your car Rockin' it wherever we are, yeah yeah  
'Cause I really am a rock star  
'Cause I really am a rock star  
I am a rock star, whoa, yeah! Goodnight everybody!
