

Oh No

Gogol Bordello

Sometimes when facing common trouble
When whole town is screwed
We become actually human
Act like Prometheus would Suddenly there is more humor
And a party Tabor style
People ringing one another
"Yo man, how was your blackout?" Suddenly there is more music
Made with the buckets in the park
Girls are dancing with the flashlights
I got only one guitar And you see brothers and sisters
All engaged in sport of help
Making merry out of nothing
Like in refugee camp Oh yeah, oh no, it doesn't have to be so
It is possible anytime, anywhere
Even without any dough
Oh yeah, oh no, it doesn't have to be so
The forces of the creative mind, unstoppable And you think, alright, now people
They have finally woked up
But as soon as trouble over
Watch them take another nap No, nobody is making merry
Only trotting scared of boss
Everybody's making hurry
For some old forgotten cause But one thing is surely eternal
It's condition of a man
Who don't know where he is going
Who don't know where does he stand Who's dream power is a bottle
Put away in dry dark place
Who's youth power is well buried
Under propaganda waves Who's dream life is in opposition
To the life during the day
Who's beaten down in believing
It just kinda goes this way Oh yeah, oh no, it doesn't have to be so
It is possible anytime, anywhere
Even without any dough
Oh yeah, oh no, it doesn't have to be so
The forces of the creative mind, unstoppable Oh yeah, oh no, it doesn't have to be so
It is possible anytime, anywhere
Even without any dough
Oh yeah, oh no, it doesn't have to be so

Forces of the creative mind, unstoppable
