Oh No

Gogol Bordello

Sometimes when facing common trouble

When whole town is screwed

We become actually human

Act like Prometheus wouldSuddenly there is more humor

And a party Tabor style

People ringing one another

"Yo man, how was your blackout?"Suddenly there is more music

Made with the buckets in the park

Girls are dancing with the flashlights

I got only one guitarAnd you see brothers and sisters

All engaged in sport of help

Making merry out of nothing

Like in refugee campOh yeah, oh no, it doesn't have to be so

It is possible anytime, anywhere

Even without any dough

Oh yeah, oh no, it doesn't have to be so

The forces of the creative mind, unstoppableAnd you think, alright, now people

They have finally woked up

But as soon as trouble over

Watch them take another napNo, nobody is making merry

Only trotting scared of boss

Everybody's making hurry

For some old forgotten causeBut one thing is surely eternal

It's condition of a man

Who don't know where he is going

Who don't know where does he standWho's dream power is a bottle

Put away in dry dark place

Who's youth power is well buried

Under propaganda wavesWho's dream life is in opposition

To the life during the day

Who's beaten down in believing

It just kinda goes this wayOh yeah, oh no, it doesn't have to be so

It is possible anytime, anywhere

Even without any dough

Oh yeah, oh no, it doesn't have to be so

The forces of the creative mind, unstoppableOh yeah, oh no, it doesn't have to be so

It is possible anytime, anywhere

Even without any dough

Oh yeah, oh no, it doesn't have to be so

Forces of the creative mind, unstoppable
