

Smile

Natalie Cole

Smile though your heart is aching
Smile even though it's breaking
When there are clouds in the sky
You'll get by If you smile through your fear and sorrow
Smile and maybe tomorrow
You'll see the sun come shining through
For you Light up your face with gladness
Hide every trace of sadness
Although a tear maybe ever so near
That's the time you must keep on trying Smile, what's the use of crying
You'll find that life is still worthwhile
If you just smile Oh, that's the time you must keep on trying
Smile, what's the use of crying
You'll find that life is still worthwhile
If you just smile
