Come Back (RB)

Cheka

Oh
Baby I just want to let you know (oh)
That i?m waiting (no, no, oh)
That I?ll be waiting right here (nanananana)
So whenever your ready (oh)
Whenever you change your mind
Just(no, no)
Just come backyou didn?t have to go (no)
Ima give my all to understand you
Just don?t leave me alone (no)
So stay with me I?ll always be beside you
So tell me
That your coming back to me
Baby
Your the only one for me
You'll see,
That i?m falling apart without your loveso baby come back (come back)
Cause i?m falling without you (come back)
Cause i?m dying waiting for you (come back)
I need you to pull me through (come back)
What am I supposed to do? (come back)
Cause i?m everything with you (come back)
Cause I know our love is true (come back)
I need you to pull me through (come back)
What am I supposed to do?cause you didn?t have to go (no)
I want you to see how much it hurts me
Ill never lock my door (no)
Come back
Ill leave it open for you baby
So tell me your coming back to me
Baby
Your the only one for me
You'll see
That i?m falling apart without your love
So baby come backcome back cause I
I really love you and i?m missing you
Please tell me why
Why you had to go
Now i?m on a low

Give me a chance
To prove my self
Nobody else
Makes me a mess
I?m waiting
I?m breaking
So baby come backcome back
Cause i?m falling without you (come back)
Cause i?m dying waiting for you (come back)
I need you to pull me through (come back)
What am I supposed to do? (come back)
Cause i?m everything with you (come back)
Cause I know our love is true (come back)
I need you to pull me through (come back)
What am I supposed to do?come back, come back
What am I supposed to do? (come back)
Come back, come back (oh)
So baby come back (come back)
Cause i?m falling without you (come back)
Cause i?m dying waiting for you (come back)
I need you to pull me through (come back)
What am I supposed to do? (come back)
Cause i?m everything with you (come back)
Cause I know our love is true (come back)
I need you to pull me through (come back)
What am I supposed to do?come back, come back
Come back, come backcome back (come back)
