

Sitting On Top Of The World

[Lenny Kravitz](#)

Sittin' on top of the world
Sittin' on top of the world Remember the times we used to play
We'd sing and we'd dance all damn day
But all I do is sing the blues
But have I forsaken you by telling you what you must do And all I do is sing the blues
But I would never lie, let things go by
Leave you in a road to die
I would never ever say good bye Never gonna say good bye
Never, never say good bye Remember the times, oh, that we used to share
You got to remember the times
Oh, that we used to share, oh, that we used to share
You got to remember the times
Oh, that we used to share, oh, that we used to share Oh, that we used to share, oh, that we used to share
Oh, that we used to share, oh, that we used to share But the only way for you to survive
Is to open your heart it will guide
You wanna stay in this world of music and life
You got to turn around and spread a little love and get high, oh
