

Siege of Power

Napalm Death

Siege of power
In your land
Too many problems
For you to understandSiege of power
Inside your mind
Outward restrictions
To keep you in lineSiege of power
In your land
Too many problems
For you to understandA slave of their power
You never question why
You're going to suffer
You're going to dieSiege of power
Inside your mind
Outside restrictions
To keep you in lineYou're a slave of their power
You never question why
You were made to suffer
You were born to dieSiege of power
They made you a tool
While others were ruling
You were being ruled
