

# What Would I Do Without You

## Jools Holland & His Rhythm & Blues Orchestra

(Candy and flowers)  
For my valentine  
(Minutes and hours)  
You stay on my mind (Romance and love songs)  
I'm down on my knees  
(Promise me you'll belong)  
Oh, to only me But that's just a start  
What I'm trying to say  
I'd give you my heart  
But it's yours anyway What would I do without you?  
To me you're the meaning of  
The meaning of love  
And I'll always be true Forever with you  
It just isn't long enough  
What would I do without you?  
(I love only you)  
And nobody else  
(With feelings so new) Like I've never felt  
(Come hold my hand)  
Aw, get all closer to me  
(Cause you understand)  
How true love should be But that's just a start  
What I'm trying to say  
I'd give you my heart  
But it's yours anyway What would I do without you  
To me you're the meaning of  
The meaning of love  
And I'll always be true Forever with you, yeah  
It just isn't long enough  
What would I do without? Your kisses and your tender touch  
I love you, I love you, I love you so much  
Baby, there's something I want you to know  
I'm gonna die if you ever go What would I do without you?  
To me you're the meaning of  
The meaning of love  
And I'll always be true Forever with you  
It just isn't long enough  
What would I do  
Without you? What would I do without you?

To me you're the meaning of  
The meaning of love  
And I'll always be true Forever with you  
Forever's not long enough  
What would I do without you?  
What would I do?  
(Yeah)
