

Sleepless

Jann Arden

Take your coat and shoes off
Come and sit beside me
We could talk for hours
Or we could just do nothing
Four billion people surround us
So many souls lose their way
All that we have is each other
And thats all I've ever wanted
Yeah, yeah, yeah
Dont you think its funny?
Tell me, what the point is?
We could die tomorrow
Might as well enjoy this
Four billion people surround us
So many souls lose their way
All that we have is each other
And thats all I've ever wanted
Yeah, yeah, yeah
Give me all your disappointments
Ill give you my secrets
We could lay our heads down
Or be forever sleepless
Four billion people surround us
So many souls lose their way
All that we have is each other
And thats all I've ever wanted
Yeah, yeah, yeah
