Sleepless

Jann Arden

Take your coat and shoes off Come and sit beside me We could talk for hours Or we could just do nothingFour billion people surround us So many souls lose their way All that we have is each other And thats all I've ever wanted Yeah, yeah, yeahDont you think its funny? Tell me, what the point is? We could die tomorrow Might as well enjoy this Four billion people surround us So many souls lose their way All that we have is each other And thats all I've ever wanted Yeah, yeah, yeahGive me all your disappointments Ill give you my secrets We could lay our heads down Or be forever sleeplessFour billion people surround us So many souls lose their way All that we have is each other And thats all I've ever wanted Yeah, yeah, yeah
