falling in love

[Teen Suicide](#)

i got out of my car
i could have fallen down in the yard
and looked up at the stars
but i don't like stars
and i don't know where you are
and all i ever knew about falling in love was wrong
i went inside
and fell down on my bed
i could have hit my head
on a million different things
but it's not my time to die
and all i ever knew about falling in love was wrong
