Durutti Shores

Lemonade

Cut, cut from the moon
But here I'll follow you
Tell me we'll be there soon
Some steps feel hard to follow
Some form like a blackish shadow
Quiet air, 'till tomorrow
Durutti Shores make me laugh
Durutti Shores heard us calling
Durutti Shores spark at night
Durutti Shores make me laugh
Durutti Shores heard us calling
Durutti Shores spark at night
The sun falls
A form in wispers, from the rocks
At girls of laughter
Durutti Shore
Is glowing silver
Making sticks
With our fingers
Durutti Shores make me laugh
Durutti Shores heard us calling
Durutti Shores spark at night
Durutti Shores make me laugh
Durutti Shores heard us calling
Durutti Shores spark at night
Well, we're falling
Well, we're falling
Well, we're falling
Well, we're falling
Well, because our Billy shiver
Resting him on my shoulder
Water rises slightly higher
Durutti Shores make me laugh
Durutti Shores heard us calling
Durutti Shores spark at night
Durutti Shores make me laugh
Durutti Shores heard us calling
Durutti Shores spark at night
Well, we're falling

Durutti Shores make me laugh
Durutti Shores heard us calling
Durutti Shores spark at night
Well, we're falling
Durutti Shores make me laugh
Durutti Shores heard us calling
Durutti Shores spark at night
